Weikel Racewear strives to provide our customers with quality work in a timely manner. Our goal is to complete your job within 3-6 weeks, depending on the time of year. **Your order begins and is scheduled for printing once you have completed all of the following...**

- ★ Please provide us with a high quality picture or pictures of your car the way that you envision it captured on your shirt. We prefer digital pictures at 600 dpi or greater.
- ★ We also ask for all of your sponsors in vector format. (Preferably .eps files or Adobe Illustrator CS or less) These file can be obtained from whoever designed your car. *Art prices do not include remastering of all sponsors on cars. We will make our best attempt to do as much as possible at no extra charge.*
- ★ Weikel requires a 50% deposit via check, Visa, Mastercard or cash.
- ★ A basic layout idea must be supplied. Please feel free to check out our racing gallery on-line at www.weikelracewear.com for ideas.
- ★ Please submit your order with all of the above information and a complete list of sizes and shirt colors.
